

PUB\_PU\_Rc V NY

- A spirit of thanksgiving to prevail in the church
- A spirit of praise unto God for His faithfulness, mercy, love, long-suffering and goodness
- A deeper hunger and desire within the church for the things of God
- Greater love to be demonstrated amongst the church
- Greater unity to be developed
- The fruits of the Spirit to be manifested in our lives
- A great outpouring of the Holy Ghost with many signs, wonders, and miracles
- Unity of purpose to spring forth
- We would be given eyes to see, ears to hear, and a heart of understanding to the things of God

- That the leaders of our city would make laws & ordinances according to righteousness
- God would cause righteous men & women to find favor in our elections
- That powers and authorities of darkness would be removed
- God would bless our city & cause our businesses to prosper
- That God would heal our city & awaken it to true righteousness
- Institutions of learning to reflect righteousness and morality
- The Governor & State officials to receive godly influence, be spiritually sensitive, obtain Divine wisdom & be protected from demonic influence
- Blessing and protection upon all civil service personnel: police, fire-fighters, sanitation workers, hospital workers, etc.

- God would draw them unto himself
- They would be given a hunger & desire for righteousness
- They would be granted repentance as the Lord reveals truth to them
- They would thirst to be filled with His Holy Spirit
- The Lord would lead us to those He is drawing
- They would hunger for the truth of God's Word
- They would also become disciples of Jesus Christ
- The Church would receive a deeper burden for the lost
